

CBX Prolink SuperSports 1982 Pearl White for reluctant sale

Honda CBX originally delivered to Maine USA in 1982 and was imported to Australia in 2013 by its second owner and I am its third owner @ 17400 original miles.

I purchased this bike as a Covid lockdown restoration project!

An endless list of restoration work has since been carried out to have this bike restored to Concours condition with original exhausts, panniers and fairing.

The bike is fitted with the Australian handlebars and new engine crash bars fitted to protect the motor.

Recent works include but not limited to:

- New front brake pistons, seals and master / slave cylinder / reservoir / pads / brake fluid replaced.
- New rear brake pistons, seals master cylinder / pads as new/ replace brake fluid.
- New Chain, front and rear drive sprockets
- Alternator overhaul / new brushes,
- Starter motor overhauled.
- New blinker can, all main fuses replaced,
- New Bridgestone Battlax tyres
- Pearl White Paintwork restored on tank, fairing legs, saddle bag covers, sidecovers,
- Black paintwork restored on fairing internal and brake calipers and brake line housings
- Carbs overhauled, Accelerator fuel pump rebuilt – Carbs digitally tuned – runs beautifully
- Wheels aligned, cables lubricated, clutch adjusted,
- Valve shims checked / serviced
- Polished and clear coated various parts including: Engine rocker cover, alternator cover, cam shaft

end plate discs (4), 2 embossed Honda side covers. Repolish carb tops and clear coat *6

- Numerous gaskets and O rings replaced,
- New air and Oil filters, Sump plate removed and filter mesh cleaned
- Replaced fuel lines, added clear re-useable fuel filter, cleaned fuel cock and tank
- Replaced spark plugs, checked and serviced plug leads,
- Fit quick connect battery charging socket

Bike inspected and placed on historic rego April 2022 and was recently inspected by Shannons re an auction reserve / insurance valuation price circa \$35-40K.

This bike is in excellent condition. More pictures follow below.
